

News Release

HYDERABAD, INDIA (Nov 15, 2016): Suven Life Sciences is participating and presenting in "Jefferies London Healthcare Conference ", London on Nov 16 and 17, 2016.

Jefferies London Healthcare Conference is the premier conference of its kind, bringing together established industry leaders, emerging fast-growth companies, innovative technology creators and globally minded service providers who will deliver presentations to many investors across the globe.

Jefferies London Healthcare Conference is an investor and partnering conference devoted to providing private and public biotechnology and life sciences companies with an opportunity to present to, and meet with, investors and pharmaceutical executives in one place during the course of one of the industry's largest annual healthcare investor conferences. Investors and biopharmaceutical executives from around the world gather in London during this critical week which is widely viewed as setting the tone for the coming year.

Mr.Venkat Jasti is scheduled to discuss the company's corporate overview, business strategy and clinical development pipeline at Jefferies London Healthcare Conference where the world's top notch investment professionals will present along with the most innovative companies who are decision makers.

Mr.Venkat Jasti and other members of the management team will be available for one-on-one meetings at the conference. Members of the investment community who are interested in meeting with management should contact Mr. Sunder Venkatraman, VP Corporate Affairs of Suven at +1 732 718-9024 or vsunder@suven.com.
