Pharma City in Vizag

Indian pharmaceuticals bodies in association with Andhra Pradesh Government has decide to set up a 'Pharma City' near Vishakapatnam with an estimated investment of around USD 150 million. " The AP Government's task force on Pharmaceutical has decided over this project and a 1,900 acre land ahs been allotted for tbis purpose," BDMA president Venkat Jasti said.

The task force which is headed by the state Chief Minister Chandrababu Naidu has already taken major decisions regarding the project which would provide infrastructure like the drug discovery, research and development, clinical trials, manufaturing and marketing to Indian and International pharma companies, he said.
