Suven Life Sciences at Centrum Pharma Day Mumbai for analysts' meet

HYDERABAD, INDIA (Dec 14, 2015) – Suven Life Sciences is participating and presenting in Centrum Pharma analysts' meet being held at Mumbai on Dec 15, 2015.

During Centrum Pharma Day Suven be updating the investors and analysts" on Suven Life Sciences and our discovery research programs.

Suven Life Sciences Ltd, Hyderabad, a biopharmaceutical company, a successful and dividend paying company is in existence for over 26 years, involved in path breaking business model "CRAMS" (Contract Research and Manufacturing Services) offering services to global pharma companies. Revenues earned out of this business model are used for funding CNS based drug discovery and development programs for the past 10 years.

"Suven discovery research programs are focused on discovering and developing novel pharmaceutical products, which are first in class or best in class CNS therapies through the use of GPCR targets. At this point of time, Suven has a pipeline of 13 compounds for 27 inventions with 750+ granted product patents, all of them focused on diseases under Central Nervous System disorders.

Suven has 3 clinical stage compounds, a Phase 2 initiated candidate SUVN-502, Phase 1 completed candidate SUVN-G3031 and Phase 1 initiated candidate SUVN-D-4010 for Alzheimer's disease and Schizophrenia. In addition, the Company has ten (10) internally-discovered therapeutic drug candidates currently in pre-clinical stage of development targeting conditions such as ADHD, dementia, depression, Huntington's disease, Parkinson's disease and pain.
