## News Release

### **SUVEN'S UNIT- I RECEIVES US FDA ACCEPTANCE**

**HYDERABAD, INDIA (May 6, 2009)** –Suven Life Sciences Limited a biopharmaceutical and an ISO 9001, ISO 14001 and OHSAS 1801 company has undergone US FDA inspection at their intermediate/active pharmaceutical ingredient (API) facility in Suryapet, Nalgonda Dt in AP.

**Based on the inspection and the review thereafter US-FDA has classified Suven facility at Suryapet as acceptable for manufacture and supply of intermediates for active pharmaceutical ingredients (API's)**

This is the second facility in Suven to have FDA acceptance and prior to this in 2007 Suven unit at Pashamylaram received the FDA acceptance for supply of API's and intermediates.

So far Suven Life Sciences has filed 11 DMF's out of which 3 are on behalf of customers. With pending ANDA approvals Suven can supply the active pharmaceutical ingredients in addition to regulated intermediates for bulk API's in the near future thus generating new revenues in due course of time.

Suven Life Sciences is a Hyderabad based Life Science Company, a **Collaborative Research Partner** (CRP) in Drug Discovery for a global Pharma major since 2006 is a pioneer in **Contract Research and Manufacturing Services** (CRAMS) since 1995 and **Drug Discovery and Development Support Services** (DDDSS) since 2005. Suven is engaged in discovering new chemical entities in Central Nervous System (CNS) therapeutic areas Viz: Alzheimer's, Cognitive impairment, Dementia, Depression, Parkinson's disease and obesity which are at various phases of preclinical and clinical development.
