

SUVEN Life Sciences Ltd

Press Release

SUVEN RECEIVES NABL CERTIFICATION

Suven Life Sciences has announced that the company has received **NABL (National Accreditation Board for Testing and Calibration Laboratories)** Certificate by the Department of Science & Technology, India , to its Biopharmaceutical Research Lab facility at Hyderabad with the standard **ISO / IEC / 17025:2005** (“General Requirements for the Competence of Testing & Calibration Laboratories”).

Suven is a Hyderabad based Life Sciences company, pioneer in Contract Research And Manufacturing Services (CRAMS) since 1995, Drug Discovery and Development Support Services (DDDSS) since 2005 and a Collaborative Research Partner (CRP) with Global life Science companies (2006).

Suven is awarded the “Partner of Choice in Drug Discovery for CNS” by Frost & Sullivan in 2005.

With this NABL certification, Suven will be in a position to offer value added services within the business segment of CRAMS, DDDSS and CRP.

Risk Statement:

Except for historical information, all of the statements, expectations and assumptions, including expectations and assumptions, contained in this news release may be forward-looking statements that involve a number of risks and uncertainties. Although Suven attempts to be accurate in making these forward-looking statements, it is possible that future circumstances might differ from the assumptions on which such statements are based. Other important factors which could cause results to differ materially including outsourcing trends, economic conditions, dependence on collaborative partnership programs, retention of key personnel, technological advances and continued success in growth of sales that may make our products/services offerings less competitive
