Dear Sir/Madam,

**Sub: Intimation of Fire Incidence at Jeedimetla unit in Hyderabad**

.....

We wish to inform you that some of the labs of Suven Life Sciences located in Suven Pharmaceuticals premises, experienced a fire incidence occurred on April 26, 2020 in the evening at our Jeedimetla facility. Although there was damage to the labs in one of the building, there were no injuries or casualties. While the exact cause remains under investigation, we know the fire started in one lab in one of the buildings. Fewer staff were on site because it was Sunday, but those that were present followed their training and were able to successfully contain the incident to one portion of that building only until the fire tenders arrived. As a result of the effectiveness of those safeguards and the decisive actions of our employees, the facility is still operational other than that building. Suven will provide additional updates when more information becomes available.

This is for your information and record.

Thanking you,  
Yours faithfully  
For **Suven Life Sciences Limited**

  
**Shrenik Soni**  
Company Secretary
